Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under the provisions of the Internal Revenue Code section indicated above.

Unless specifically excepted, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) for each employee to whom you pay $100 or more during a calendar year. And, unless excepted, you are also liable for tax under the Federal Unemployment Tax Act for each employee to whom you pay $50 or more during a calendar quarter if, during the current or preceding calendar year, you had one or more employees at any time in each of 20 calendar weeks or you paid wages of $1,500 or more in any calendar quarter. If you have any questions about excise, employment or other Federal taxes, please address them to this office.

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

The heading of this letter indicates whether you must file Form 990, Return of Organization Exempt from Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law provides for a penalty of $10.00 a day, up to a maximum of $5,000, when a return is filed late, unless there is reasonable cause for the delay. This penalty may also be charged if a return is not complete. So, please make sure your return is complete before you file it.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form
